Explore the world, enrich your mind, and discover global history

Fresh with a renewed sense of ambition, 2024 could be the year to take a dive into new experiences, immerse yourself in history and witness the marvels of the world. In fact, why not make 2024 your year of culture?

Feel the wanderlust

If a cultural odyssey sounds like a tempting prospect there are a wealth of destinations to choose from at RSD visiting some of the world's most impressive wonders.

Over two million explorers have travelled with the RSD-Group over the past decade, which boasts a strong reputation for providing well-organised study tour trips. Flights, transfers and hotels are reliable and modern. All RSD tours are hosted by knowledgeable, English-speaking tour guides, which means that RSD guests can focus on the wonders of the trip and enjoy the company of new friends. As one of Europe's largest cultural tour operators, prices are competitive too.

Coastal learning

One trip that is particularly rich in experience is the 15-day adventure to Croatia and Montenegro, visiting no fewer than four UNESCO World Heritage Sites. The tour begins in Dubrovnik before travelling along the coastline to stop in Split. The journey then heads inland into Bosnia and Herzegovina and sweeps into Montenegro and the breath-taking vista of the Gulf of Kotor. The journey ends with guests enjoying a well-deserved sojourn at a four-star hotel on the Adriatic coast.

Time to pack

If the riches of European history beckon, or 2024 is the year to take a long-haul trip to Asia or Africa, RSD has organised tours that can show you the wonders of the world.
